<b>Other change**</b> Wording changes are being made to improve the accuracy of the data being collected. A review of the data reported on last year's collection indicated that states may be misinterpreting some questions and that the order of the questions may be confusing. Separate item "C" is combined as a line item under "A." The term "academic year" is changed to "report year" Item "B" wording is reordered. Item "D" is now item "C." Item "C" wording "... at the start of the academic year" is now "... during this report year" and the phrase "(do not include scholars who graduated)" is added. The phrase "by class level" is deleted from items "C" and "D."
